

Partner name:	Intent 4.0 IISS Marco POLO Bari
Tool name :	Classroom screen
Main objective of the tool (cf. category)	It is an on line tool that could support the class activities and helps students to work
Advantages of a tool:	<i>If you want to use the tool you do not need to subscribe to the website with basic functions. There are about ten widgets you can use, and you can choose any language.</i>
Disadvantages of a tool:	<i>The basic is free yet you must pay for other formula like basic with account and Premium.</i>
Your own experience with a tool:	<i>It is a great tool for brainstorming ideas at the beginning of a lesson, for making the students think and communicate. Students enjoyed it and they are helped to concentrate on their tasks. It was also used for a pair and group work . It helps cooperative learning a lot</i>
Recommendations:	<i>There are no specific recommendations however it is accessible to those who are less in using such software</i>
Use for interdisciplinary teaching and training. <i>(for team building, for creating mental maps to discuss, for self-evaluation, for decision making etc.)</i>	<i>Yes, of course</i>
