

Partner name:	Chamber of Commerce Jihlava
Tool name :	Google Workspace (formerly G Suite) - workspace.google.com
Main objective of the tool (cf. category)	Productivity and collaboration tools - Drive, Gmail, Documents, Tables and other apps.
Advantages of a tool:	<i>Common work with documents + video and chat communication</i>
Disadvantages of a tool:	<i>There must be a paid version to use all features. Knowledge of individual elements and their interconnection is required so that the tool can be used in full.</i>
Your own experience with a tool:	<i>Students can cooperate in realization of projects, share documents and built it online at group work. During COVID pandemic many schools used modified version named Classroom (classroom.google.com) or Google Workspace for Education (edu.google.com).</i>
Recommendations:	<i>It is the tool widely used in firms. Knowledge and experience with this tool could be big advantage on the labor market.</i>
Use for interdisciplinary teaching and training. <i>(for team building, for creating mental maps to discuss, for self-evaluation, for decision making etc.)</i>	<i>Yes. It is optimal tool to share all documents, task, tables and information. All elements for interdisciplinary teaching and training are at the one place, incl. chat, calendar, e-mail, video meeting.</i>
